Hi Mark,

I don't have it either. I just checked my email archive and I don't have a pdf of it. All of the originals were delivered to the records center. I'll follow up with them.

Scott,
Did we ever track down the cover letter to the 2nd production? I don't have it in my electronic library.

Hi Mark,

The attached letter along with a CD apparently arrived at the Region 8 office on June 3rd via Fedex and has been sitting in my inbox ever since. Kelcey noticed it and asked Sue to email it to me. I'm going to have Sue make me a copy of the CD and mail it to me and then deliver the original and a couple of copies to you.

Sorry for the delay. Someone else besides Sue must have signed for the package and placed it in my inbox.
